- As a business, and a member of the surrounding neighborhood, it is our responsibility to make sure all business is conducted in an orderly and appropriate fashion. We reserve the right to allow auction participants entrance based on this responsibility. **We invite your assistance in being good neighbors.** There is more than adequate parking at the business location. **Please do not park on public roads to attend our auction.**
- There are numerous garbage receptacles available in the vicinity of the auction area. Your cooperation in using these is appreciated.
- You must register at the auctioneer's office and receive an auction number to gain entrance to the auction. If you have not registered, you will not be allowed entrance to the auction.
- All vehicles are sold as is, where is, with no guarantee. If you bid on a vehicle you are the buyer of that vehicle. The back up bidder is required for the auctioneer and is not an alternate buyer.
- All vehicles are paid for in cash or check at the time of purchase. Paperwork on vehicles paid for by check will be held until the check clears. Special rules apply to prior bad check writers. A \$100 bad check fee will be added to the original purchase price for all bad checks. If the check is not made good immediately, it will be forwarded to the Kitsap County Sheriff's office for criminal prosecution.
- **All vehicles must be removed from the auction lot no later than 5:00pm the day of the auction. Vehicles remaining will be re-impounded at a rate of \$45.00 per day of storage.**
- **ABSOLUTELY DO NOT LEAVE YOUR VEHICLE ON CITY/COUNTY/PUBLIC RIGHT OF WAY ROADS.** The appropriate law enforcement agency will be notified immediately.
- Auction participants who do not respect and obey the local speed limits and safety of the public roadway entering the facilities will be reported to law enforcement and may lose privileges to attend the auction.
- Discounted towing services may be available the day of the auction. See a company representative for pricing and scheduling.
- No items are to be removed from vehicles. Once you have purchased the vehicle, you are solely responsible for the contents of that vehicle. If items are improperly taken from a vehicle the Sheriff's Deputy's manning the auction for security will address the situation with you and you may face criminal charges.

We thank our customers for their continued business and understand that it is usually a very small minority that requires such rules be enforced for the good of the whole. If you have further questions, please see a company representative during the auction process.
